ICRA RATINGS PROFILE

● INTRODUCTION

ICRA RATING AGENCY is one of the fastest-growing companies that provide credit rating services. With a presence across Europe, Africa, and Southeast Asia, we provide the information, tools, and expertise to help customers make confident decisions to mitigate any commercial risk. ICRA enables customers to quickly access objective customized information whenever and wherever they need it.

● OUR MISSION

An agency that serves all business categories, from small and medium to large enterprises, is customer-centric, building relationships, enhancing business profiles, and helping to connect businesses globally.

● OUR VISION

ICRA's long-term vision is to become the most credible rating agency in the financial world, responding to the needs of African organizations.

● ABOUT US

ICRA has an expert team with more than 25 years of combined experience in auditing, inspection, and certification. Our ratings significantly influence corporate and financial institutions in achieving better market standing, branding, and marketing.

ICRA's ratings aim to help various corporations and institutions demonstrate their financial capability. Our vision is to become the most credible rating agency in the financial world, responding to the needs of organizations globally. We serve all business categories, from small to medium to large enterprises, with a customer-centric approach, building relationships, enhancing business profiles, and helping to connect businesses globally.

LICENSES AND RECOGNITION

- **Reserve Bank of Zimbabwe**

The Reserve Bank of Zimbabwe (RBZ) has accredited International Credit Rating Agency (Private) Limited as a credit rating agency in Zimbabwe. This accreditation allows the agency to assess the creditworthiness of banking and microfinance institutions in the country.

- **Securities and Exchange Commission (SEC) Zambia**

ICRA Rating, the Zambia subsidiary of ICRA Rating Tanzania, is registered with and licensed by the Securities and Exchange Commission of Zambia (SEC). It is one of the fastest-growing companies that provide credit rating services

- **Bank of Zambia - Clearance**

The Securities and Exchange Commission (SEC) is adequate for the ICRA Rating Agency to conduct its rating activities.

- **Ministry of Finance and National Planning Zambia - Clearance**

The Ministry expresses its gratitude for the agency's pursuit of recognition and accreditation from the Ministry of Finance and National Planning. Additionally, the Ministry recognizes that the SEC is legally mandated to accredit financial institutions, including our agency. Such accreditation provides essential credibility for the institution on both local and international stages.

- **Ministry of Finance Tanzania**

The Ministry of Finance is advocating for stronger and more credible financial institutions, hence concurs with the view that credit rating will add value to financial institutions and corporates by showcasing their potentiality.

- **Bank of Tanzania**

The Bank of Tanzania appreciates the contribution of external credit rating services in promoting access to finance in the country.

- **Bank of Uganda**

ICRA Rating, Uganda subsidiary of ICRA Rating Tanzania is Recognized by the Bank of Uganda (Central Bank of Uganda). ICRA Rating is the first ever credit rating agency to have a base in Uganda. The Bank of Uganda has recognized the presence and importance of ICRA Rating in guiding access to finance for corporate entities and financial institutions in Uganda.

- **Uganda Microfinance Regulatory Authority (UMRA)**

UMRA has also recognized ICRA Rating Agency Limited as a credit rating service provider to their regulated institutions. It also recommends that license holders be credit-rated by ICRA Rating Agency Limited.

BOND RATING

✓ BENCHMARKING FOR THE BOND

- ▶ ICRA uses the concept of Benchmarking for the corporate bond credit rating.
- ▶ Benchmarking means the repayment capability of the corporate itself to repay the liability back to the investors. Which is also called Issuer Credit Rating.
- ▶ Issuer credit rating becomes the benchmarking for the corporate bond credit rating as stage one to understand the strength of the issuer of the bond.

✓ NOTCHING IN THE CREDIT RATING

- ▶ Notching is the concept available only for secured bonds.
- ▶ Benchmarking means the repayment capability of the corporate itself to repay the liability back to the investors. Which is also called Issuer Credit Rating.

TABLE 1: RECOVERING NOTCHING TABLE
